### NOTES

The Pfizer vaccine will be the vaccine provided at all clinics which is part of a 2 dose series. You must get the 2nd dose on or after 21 days (3 weeks) from the 1st dose.

For ages 16 to 17 years old, they may obtain the vaccine with a completed and signed consent form.

For ages 12 to 15 years old, a parent or guardian must accompany them to obtain the vaccine. If the parent is not present (i.e. grandparent, adult sibling, etc.) the consent form must be completed and signed by the legal parent/guardian.

For ages 5 to 11 years old, a biological or legal guardian must accompany them to obtain the vaccine.

Janssen (J&J) vaccine is available upon request as well. This vaccine is for 18 years and older only.

3rd dose booster vaccinations of Pfizer and J&J are available as well.
